## 7. PAPER BID WORKSHEET

The Paper Bid Worksheet is provided as Attachment 1 for the Eastern zone and Attachment 1A for the Western zone. All projections in the worksheet are the best aggregate estimates of the individual districts, however there is no guarantee that districts will purchase exactly these amounts. For any lines that are "Distributor's Choice", please enter your brand and item here.
- **Actual Case size** – the number of units in the case, i.e. "200" not "200 ea". This cell accepts numerical entries only. If this is the same as the "Base Case Size" you may

*leave it blank. This will adjust the projection based on differences in pack size.*

- **Price per Case** - enter the price per case.
- **Comment** – any notes or comments about the item.

When the sheet is completed, please print it on legal size paper, landscape mode, and return it with your submission.

Based on this information, the group may request samples. If requested, provide samples to a location determined by the group on or before Thursday, April 2, 2020 for a group sampling on Friday, April 3, 2020.

A determination on the acceptability of the product will be made by the group and you will be notified as to the group’s decision. MAPC may reject or a bidder may withdraw a bid if the mistake is clearly evident on the face of the Bid Price Form, yet the intended correct bid is not similarly evident.

Conditional bids will not be accepted. A conditional bid is one that imposes any condition or conditions on a bid or changes the price or any other provision of a bid in a manner prejudicial to the interests of the jurisdiction or fair competition.

If questions are received after April 15, 2020, MAPC, in its sole discretion, will determine if additional addenda are required and whether to alter the bid due date. MAPC will advise all prospective bidders of such activity.

MAPC reserves the right to disqualify any bidder that it believes to be interfering with this procurement by raising irrelevant, nuisance, or diversionary issues in order to delay or render the procurement invalid, whether timely or not.

Failure of any bidders to read and become familiar with any portion of this IFB will not relieve them from any of the obligations described herein, whether they may be required during review of the bids, or performance required under a contract.

MAPC, in consultation with participating school districts, reserves the right to reject any bid in part or in whole based on past performance of the vendor and/or the best interests of any or all of the members of the group.

### 21. TIMEFRAME FOR AWARD

The bid award will generally take place no later than a week after the bid opening date at which time all parties will be notified. The public opening is expected to end 30 minutes after start time.

3. Award contracts as it deems best serves the interest of MAPC and/or the Cities, Towns and School Districts.
4. Act as its own reference and make such investigation as it deems necessary to determine the ability of the bidder to perform prior to execution of the contract.
5. Waive or adjust non-statutory bid requirements before or after bids are opened in whatever ways it deems best serves the interests of the participating school districts.

### 23. CONTRACT TERM AND PRICING

This solicitation is seeking fixed pricing for the 2020-2021 school year, beginning July 1, 2020 and ending June 30, 2021.

This award may be extended for the 2021-2022 school year at terms mutually agreeable to all parties.

If the award is extended beyond the 2020-2021 school year, the winning vendor may adjust pricing on any item between school years. This may be a price increase or a price decrease, based on market conditions. If a cost is increased, the new cost to the group will be equal to or less than the new cost to the distributor times the existing margin. If requested by the group, the distributor shall

provide two manufacturer's invoices to the distributor; one showing the distributor's cost prior to adjustment, and one showing the distributor's new cost.

Except as provided elsewhere in this IFB, there will be no change in the terms and conditions, bid prices, or products offered during the contract periods.

Use of resulting contracts is voluntary. The issuance of this solicitation does not constitute or imply a firm commitment by any eligible party to purchase equipment, goods or services from any contracted vendor. Accordingly, ability to perform, price competitiveness, and product quality are key to sales. Nothing in this IFB shall be interpreted as a restriction upon an eligible party from buying any item or similar product by any other means, from any other Vendors, at any time during the Contract term.

Eligible parties will be the buyers under contract(s) awarded through this IFB. All transactions between eligible parties and contracted vendor(s) will be solely between those parties. Neither MAPC, the participating municipalities nor any other eligible party will be held liable by the vendor(s) or another eligible party for any loss or liability, other than payment for delivered products as may be limited herein, incurred as a result of this procurement.

This contract will be awarded and administered by MAPC on behalf of the participating school districts. Any eligible party that purchases the goods of a selected vendor under any resulting contracts will be responsible for managing and directing the work of the selected vendor for all purchase orders and work orders initiated by the municipality. If for some reason, a participating municipality/school district finds that any provisions of the signed contract are not being observed by the selected vendor, they can seek remedy directly from said vendor and notify MAPC of any issue relating to non-performance under the signed contract.

#### **25. WITHDRAWAL AFTER AWARD**

If a vendor, after having been awarded the bid, chooses to withdraw their bid, the vendor acknowledges that all of their bids may be eliminated from consideration for the next bid cycle.

## Section 5 - Product and Performance Terms

---

### 26. QUALITY REQUIREMENTS AND PERFORMANCE STANDARDS

Paper Products of high quality are required to be furnished and delivered inside the cafeteria storerooms.

All items offered shall be of the required specification in this IFB and shall be subject to all federal and state regulations applicable thereto.

The right is reserved to request samples of any or all items for which a bid is submitted for testing in determining awards; samples to fully represent the items proposed. The brand and grade offered and accepted shall be supplied during the entire contract period, and no substitution shall be made except upon written approval of the Member District **School Business or** Food Service Directors or a designee.

Quantities of items are estimated and not guaranteed to be purchased in full during the contract period. This is particularly true in the event surplus commodities are furnished by the U.S. Department of Agriculture.

If the contracted vendor fails to comply with the requirements of this section, "Performance Standards", the participating municipality or school district shall have the right to cancel its purchase without recourse by the vendor, provided the municipality/school district serves the vendor with a written demand to perform, citing its intent to cancel its purchase order and invoke this IFB provision if performance does not occur within three full business days of delivery of the demand. Such notice may be conveyed by e-mail, fax or other method that verifies delivery by electronic or witnessed means.

Additionally, failure on the part of the vendor awarded the proposal to comply with any of the above terms contained in this IFB and the resulting contract could result in:

- A letter of nonperformance documenting the specific issues involved and the actions necessary to resolve the situation(s);
- Voiding the proposal award in whole or in part; and/or;
- Eliminating the vendor from future award consideration.

### 27. WARRANTY

Vendors warrant (1) that the goods they sell are merchantable, (2) that they are fit for the purpose for which they are being purchased, (3) that they are absent any latent defects, and (4) that they are in conformity with any sample that may have been presented to the Participating municipalities/school districts.

## 28. METHOD OF ACQUISITION

At the discretion of each Participating municipality, commercial credit cards (e.g. American Express, MasterCard, etc.) may be used to make purchases. All contract pricing will remain in effect, as will the buyers' tax exempt status.

## 29. ORDERING AND DELIVERY OF GOODS

Delivery dates and times will be agreed upon by the district and the winning vendor by the date specified in the timetable. Deliveries arriving outside times agreed upon may result in refusal of delivery or billing of distributor for excess labor charges.

Districts will normally require one delivery per week.

Districts must have a primary and secondary delivery day. In the event that there is no school or any other reason delivery does not take place on the primary day, it will occur on the secondary day.

All items will be delivered to an inside storage location acceptable to the receiver.

Districts are not required to accept any product that is visibly damaged or adulterated in any manner. The winning vendor shall replace any item received in unacceptable condition at no cost to the ordering facility in a timeframe acceptable to the district.

The highest minimum amount for delivery will be no more than **\$150.00** per location.

Directors must be notified before delivery if any products are unavailable. Substitutions are to be provided of the same or superior quality at the bid price. The director must approve all substitutions.

The vendor must provide full credit on and pickup of products incorrectly ordered or delivered by the next regular delivery. Full credit must be given, in a timely fashion, for products that are discovered missing from the order, damaged, spoiled, adulterated, or expired.
