["Vendor"], with its principal office at 116 New Westminster Road, Hubbardston, MA 01452.

Witnesseth that the parties AGREE as follows:

Article I

General Description of the Work

4. There shall be no amendment to this AGREEMENT without the written approval of MAPC. MAPC shall be under no obligation to pay for any goods provided or services performed by the Vendor.
5. The Vendor represents and warrants to MAPC as follows:
 - i. That it and all its personnel (whether employees, agents or independent Vendors) are qualified and duly licensed as required by law and/or local municipal code to provide

services and/or goods required by this AGREEMENT.

- iii. That it will obtain any and all permits, bonds, insurances and other items required for the proper and legal performance of the work.
- iv. That it is not a party to any AGREEMENT, contract or understanding, which would in any way restrict or prohibit it from undertaking or performing its obligations hereunder in accordance with the terms and conditions of this AGREEMENT.

Article III

Performance of the Vendor

6. In the performance of service under this AGREEMENT, the Vendor acts at all times as an independent contractor. There is no relationship of employment or agency between MAPC, on the one hand, and the Vendor on the other, and neither party shall have nor exercise any control or direction over the method by which the other performs its work or functions aside from such control or directions as provided in this AGREEMENT which the parties view as consistent with their independent Vendor relationship.
7. The Vendor agrees to be responsible for and warrantee the work of any subcontractors it hires and that are listed in Exhibit E and will ensure their compliance with all legal, quality and performance requirements of the Invitation for Bids ["IFB"] – IFB # MSBG 2023 Sanitation Products and Service in Exhibit C; the Vendor's Bid attached in Exhibit G, and the Required Federal Contractual Clauses in Exhibit B. The Vendor may not use subcontractors not named in Exhibit E without the prior written consent of MAPC, which will not unreasonably be withheld.

Vendor shall complete performance as promised in its quote that accompanies the Buyer's purchase order or other document confirming its authorization to the Vendor to proceed. Reasonable extensions shall be granted by the Buyer at the written request of the Vendor, provided the justifying circumstances are documented by and are beyond the reasonable control of Vendor and without fault of Vendor. In the event of such an extension, all other terms and conditions of this AGREEMENT, except the dates of commencement and completion of performance, shall remain in full force and effect between the parties unless modified in writing.
9. In the absence of such an extension, liquidated damages shall be due the Buyer in the amount of 0.1% (one-tenth of one percent) of the face value of the Vendor's quoted or modified purchase

price for each day performance exceeds the promised date(s). Such liquidated damages may be acknowledged in Vendor's final invoice or taken by Buyer as a deduction to such final invoice.

10. Any dispute in the amount of liquidated damages shall be submitted to arbitration by either Buyer or Vendor through the American Arbitration Association within 10 (ten) business days of written notice given by the party declaring impasse. Vendor and Buyer agree to fully comply with the arbitrator's decision within a reasonable time.

Article V

11. If during the Vendor's Time of Performance, Buyer requires revisions or other changes to be made in the scope or character of the work to be performed, Buyer will promptly notify Vendor in writing. For any changes to the scope of work, Vendor shall provide Buyer with a written quote of change in price and/or change in time of performance and shall proceed with such changes only upon written consent of Buyer, which shall be construed as a modification to Buyer's original purchase order.
12. Buyer will neither unreasonably request revisions nor unreasonably withhold final acceptance of delivered products.

Article VI

Term of Agreement

13. The term of this AGREEMENT shall commence upon the date of execution of the contract and will continue until June 30, 2024, or until otherwise terminated as provided by this AGREEMENT or the IFB.
14. In the event new contracts have not been procured and awarded before the end of a contract extension, MAPC reserves the right at its sole discretion to extend the contract for an additional period of time until new contracts have been procured and awarded. However, in no instance shall any contract term, including extensions, exceed three (3) years in total.
15. The Vendor agrees to perform promptly upon execution of this AGREEMENT and will diligently and faithfully perform in accordance with the provisions hereof.

Article VIII

Assignment

17. Neither party shall assign, transfer or otherwise dispose of this AGREEMENT or any of its rights hereunder or otherwise delegate any of its duties hereunder without the prior written consent of the other party. Any such attempted assignment or other disposition without such consent shall be null and void and of no force and effect.

Article IX

Indemnification

18. The Vendor agrees to indemnify and save MAPC and the Buyers harmless from any and all manner of suits, claims, or demands arising out of any errors, omissions or negligence by the Vendor (including all its employees or agents) in performing under this AGREEMENT, or any breach of the terms of this AGREEMENT, which constitute an obligation of the Vendor. The Vendor shall reimburse MAPC and the Buyers for any and all costs, damages, and expenses including reasonable attorney's fees which MAPC and the Buyers pays, or becomes obligated to pay, by reason of such activities or breach. The provisions of this Section shall be in addition to and shall not be construed as a limitation on any other legal rights of MAPC and the Buyers expressed or not expressed in the IFB and with respect to this AGREEMENT.

Article XI

Insurance

19. Before performing under this AGREEMENT, the Vendor shall obtain, and shall maintain throughout the term of this AGREEMENT, insurance at limits specified in the IFB and provide written documentation of such in the form specified in the IFB as requested in Exhibit E.
20. The Vendor shall give MAPC 20 days (twenty) written notice and copies of documentation in the event of any change or cancellation of coverage.

22. MAPC shall have the right to terminate this AGREEMENT for its convenience upon thirty (30) calendar days of written notice.

24. MAPC shall not be liable for payments for the services and/or expenses or lost profits of the Vendor in the event of termination.
25. The Vendor shall remain liable for any damages, expenses or liabilities arising under this AGREEMENT (including its indemnity obligations) with respect to work performed pursuant to the AGREEMENT.

26. This AGREEMENT, together with its Exhibits, the IFB referenced above and its Addenda, the required supplemental documents and any additional exhibits, constitute the entire AGREEMENT between MAPC and the Vendor with respect to the matters set forth therein and may not be changed (amended, modified or terms waived) except by a writing signed by both parties. Any notices required or allowed shall be sent by receipt-verified mail, e-mail, fax or courier to the persons designated in Exhibit A.
27. The provisions of the IFB and the Vendor's Bid are incorporated herein by reference. In the event of any conflict among the Contract Documents, the documents shall be construed according to the following priorities:

29. This AGREEMENT shall be governed by, construed and enforced in accordance with laws of the Commonwealth of Massachusetts. MAPC, Vendors, and Buyers agree to submit their respective jurisdiction and venue to the state and federal courts in the Commonwealth of Massachusetts to resolve any disputes or disagreements that may arise under any provision of this AGREEMENT.

The undersigned certifies, to the best of their knowledge and belief, that:

No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all contractors shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Article III

Contract Provisions Applicable to Federally Funded Construction Contracts

3.1 Equal Employment Opportunity Clause

(a). During the performance of this Contract, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

(4) The Contractor will send to each labor union or representative of workers with which he has a

collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, that if the applicant so participating is a state or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contracts and

subcontracts by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

3.2 Davis-Bacon Act

(a). If this Contract is a prime construction contract employing laborers or mechanics with a value that exceeds \$2000, the Davis-Bacon Act, 40 U.S.C. §§ 3141–3144 and 3146–3148 and its related regulations found at 29 C.F.R. Part 5 apply.

(b). The subrecipient or contractor acknowledges that the decision to award this contract is conditioned upon the subrecipient or contractor's acceptance of the wage determination, and upon continuing compliance with the Davis–Bacon Act (40 U.S.C. §§ 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). Pursuant to the Davis-Bacon Act, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in the Secretary of Labor's wage determinations, incorporated into this Contract. Subrecipient or contractor further acknowledges and understands that subrecipient or contractor shall be required to pay wages not less than once a week.

(c). Davis-Bacon Prevailing Wage Certification

Subrecipient or contractor certifies that it and all subcontractors shall provide certified payroll affidavits verifying compliance with G.L. c.149 §§ 26–27H, the federal Davis-Bacon Act, and other related acts.

(d). 29 C.F.R. § 5 (a)(1) – (10) are hereby incorporated by reference into this Contract. All subcontracts must include the text of 29 C.F.R. §§ 5(a)(1) – (10) in full.

3.3 Compliance with the Copeland “Anti-Kickback” Act

(a). If this Contract is subject to the Davis-Bacon Act, the Copeland “Anti-Kickback” Act also applies.

(b). Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. Part 3 as may be applicable, which are incorporated by reference into this Contract.

(c). Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the federal program may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

(d). Breach. A breach of the Contract clauses above may be grounds for termination of the Contract and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 512.

3.4 Contract Work Hours and Safety Standards Act

(a). If this Contract has a value exceeding \$100,000 and involves the employment of mechanics or laborers, the Contract Work Hours and Safety Standards Act, 40 U.S.C. §§ 3702 and 3704, as supplemented by the Department of Labor Regulations 29 C.F.R. Part 5 applies.

(b). If applicable, the Contractor shall comply with the Contract Work Hours and Safety Standards Act, 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations 29 CFR Part 5. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(c). Pursuant to 40 U.S.C. § 3702 of the Contract Work Hours and Safety Standards Act, the Contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of forty (40) hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of forty (40) hours in the work week. The requirements of 40 U.S.C. § 3704 shall apply to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous to health and safety.

(d). Compliance with the Contract Work Hours and Safety Standards Act

Contracts are required to contain the text of 29 C.F.R. § 5.5(b)(1) – (4) as follows:

(b) Contract Work Hours and Safety Standards Act. The Agency Head shall cause or require the contracting officer to insert the following clauses set forth in paragraphs (b)(1), (2), (3), and (4) of this section in full in any contract in an amount in excess of \$100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by §§ 5.5(a) or 4.6 of part 4 of this title. As used in this paragraph, the terms laborers and mechanics include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages.
