Dear Karen,

It is my pleasure to inform you that Thurston Foods, Inc. has been awarded the Massachusetts School Buying Group Grocery Bid for the 2018-2019 school year. As outlined in the bid specifications, the following items must be completed by their respective dates:

Monday, June 11, 2018	Winning vendor will have contacted district director to arrange delivery times and days that are acceptable to both the district and the vendor.
Friday, June 15, 2018	Vendor item numbers provided to bid coordinator on the bid worksheet.
Monday, August 13, 2018	All bid items in stock and available for delivery

I am attaching your bid with the item number column available for you to enter your codes. Please get this back to me as soon as possible. Additionally, as we discussed via email, I will need electronic copies of nutritionals, PFS, etc. I look forward to hearing from Allison in the near future on how best to accomplish this.

There may be several new customers for you who will need an online ordering system username and password, as well as an orientation to the online system. Please let me know if I can facilitate this via a zoom meeting or some other format. I would think a single training for anyone interested would be the most efficient way to go.

I look forward to a mutually successful partnership in the upcoming school year.

Sincerely,

Timothy Goossens, Bid Coordinator
